

Founded in 1966, the Watercolor Society of Oregon is a statewide organization of more than 850 members. The primary activities of the organization are holding exhibitions of members' work and providing educational opportunities, both for the members and others interested in the creation and appreciation of the visual arts.

In order to encourage wider participation among the Oregon artists, we try to give approximately \$5,000 in awards for each competition. We ask for donations to the Awards program in the form of cash or gift certificates from our members, our friends and the business community. In addition, WSO has established a non-profit foundation, the WSO 100 Club, Inc. from which the interest is used for awards and education. This fund guarantees the same amount of funds for each show.

Your generous donation to the Awards program will help ensure quality watercolor exhibitions in the State of Oregon.
