

**WSO CRITIQUE GROUPS****List updated June 2025**

WSO Critique Groups provide a special opportunity for inspiration, education, and artistic support for artists throughout Oregon. All Critique Groups are structured differently. Some are large and have a formal type of critique for the participants' paintings. Other groups are small and may have their meeting time spent painting together, sharing and becoming "artist friends". Design one that fits your style and the members of your group. Some groups meet in members' homes and others use a gallery space, room in a library, church, or grange hall. Others may meet by Zoom. Your options are endless.

**Contact information for Coordinators can be found in the WSO Membership Roster & Handbook.**
